We just moved to a new neighborhood, and I hear the gossip about me being a MILF. Mostly it's my younger brother's friends and now some of the wives are saying it, too. I take that as a compliment, but I try not to flaunt it too much. Until the other day, that is. I have one hot neighbor that I'm going to invite in.

I'm the cute little black girl next door that's grown up to be one hot black MILF next door. I like what my body has matured into, the perfect mix of boobs and butt. POOL SHARKS

Robin was 24 and as pretty as they come, and she knew it, too. My name’s Clint and I’m 22 with nice hair, blue eyes and just finished college (hook’em horns). I’m back home for the summer and found Robin there. She was visiting my sister from Dallas. They worked together a few years ago here in Houston. She has that cute Texas drawl on top of all they. Yep, they sure do grow ‘em pretty here in Texas.

It had been so hot that I’d been spending my days at the pool. The two girls would spend the days shopping or lunching. Always finding a reason to leave the house. Too bad she didn’t come to the pool, I’d love to see her in a bikini, or better, yet sunbathing topless at the pool. She would kinda flirt with me, but it was nothing serious, just trying to make her friend’s younger brother horny, I thought. Today is another hot Thursday. Humid with no relief in sight. My sister has to go help mom with some things at her antique store so it’s me and Rhonda at the house for a while.

I’m sitting on the patio when I hear her open the screen door behind me. “Hiiiiiii Clint.” she sings out. Without looking back I sing back “Heeeey Rhonda.” “Whatcha doin’?” she says as she walk over to my chair. “Nuthing.” I tell her. She saunters up to me, and I see her in a hot pink bikini that ties in the back and the bottom ties on the side. She looked fuckin’ hot. No, make that sizzlin’.

““I’m gonna jump in. Wanna come?” Hell yeah, I thought to myself but just said “Sure.” “Come on. I see you’re already in your trunks.” she said. She grabbed my hand, pulled be out of my chair and headed for the pool. I followed behind her, my eyes on that ass.

I was ready to dive in, but waited. I wasn’t going in unless she went in first. She stopped by the edge of the pool and told me to dive in first. I did, swam around a little bit and came back up a few feet from her and swam back around to the shallow end of the pool. I started to climb up the steps out of the pool and I saw her eyes go wide. “What?” I said.

“Uh…Clint…” she said giggling and pointed at my trunks. They had slipped down and I hadn’t noticed, but she did. Her eyes glued to my stuff down below. Now I realized it and swung around, allowing her to see my nice firm ass while I quickly pulled my trunks back up. I apologized. She smiled as she said “It’s okay. Honestly, no problem.”

We just stared at each other for a moment, then she said “You won’t mind if I take my top off, will you?” We both swam around and talked while we did. We started feeling a little water-logged and she suggested we go inside and get some drinks to cool off. I agreed and we jumped out of the pool toweling off before going in. I held the door for her and we headed into the kitchen. I got a couple beers out of the fridge and turn to hand one to her. She was standing next to the island. “I gotta get out of this wet bottom.” she said. She pushed them down. Yes,

MILFs R Us

I’m a MILF writing on behalf of MILFs and we want you guys to know that we are flattered by all the attention you’ve given us over the last ten years or so. Just know that fucking a mom is not just more than a porn category, it’s an act between two people that should mean something more than an acronym. Next time you fuck a MILF, remember we want it, too.

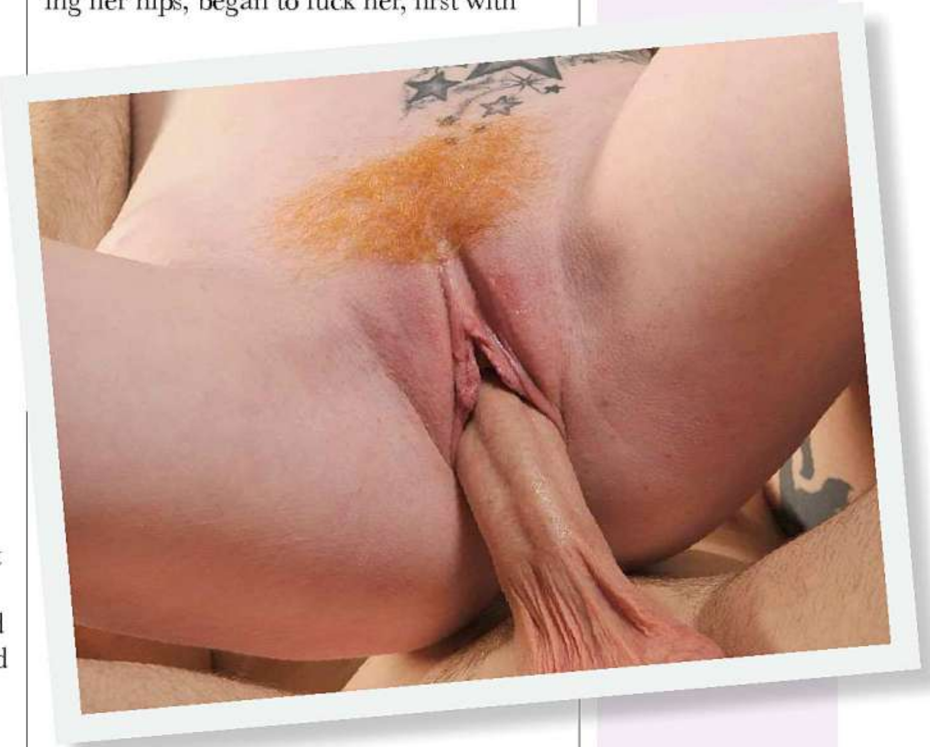
she shaved too. Her pussy looked awesome. Clean shaven, she looked tight. Before I could even get a dirty thought into my mind I heard her say, "You should get out of those wet trunks, too." I handed her the brew and pulled my trunks down, letting them fall to a wet lump at my feet. She put both hands on the island top and jumped up a little, firmly planting her butt on the top. "My pussy's hot." she said. I couldn't believe it as she took the beer can and put it between her legs to "cool" it off.

"Don't just stand there, get down there." she said as she took the can away and opened her legs just a bit more invitingly to me. Then I put my tongue inside the coolness of her pussy. I heard her moaning as her body shifted numerous times, each time causing her to come closer and closer to having an orgasm. I licked and licked her. Deeper and deeper, all around her sweet smelling pussy, my tongue and lips dug. She cried out some more as I did it. This was awesome. She was spectacular, to say the very least. I licked more and more as my tongue found the soft insides of her pussy. I really went at it, licking and licking, digging and digging, and tasting what had to be best looking and tasting pussy I had ever eaten. She clenched her legs around my head as she came in waves of hip bucking and pelvis thrusting. I grabbed onto the sides of the island so I wouldn't get thrown off. She subsided and eventually relaxed her grip on me.

'Is your cock ready for me." she asked. And before I could answer, she slinked off the counter top and onto her knees right in front of me. She grabbed my cock and started to lick it, slowly to begin with, before letting out a soft moan and opening her mouth wide and taking its full length into her mouth. I closed my eyes and stroked her hair and wallowing in the excitement of being given a blow job by a gorgeous woman. I was so into my pleasure that when I opened my eyes I noticed that she was playing with herself as she sucked me. Seeing this just turned me on further. I pulled her up, planting a big kiss on her lips before turning her around and bending her down to rest her chest on the island. I steered my cock towards her pussy, rubbing it around the moist edges for a few seconds as she let out another soft moan. She then reached back and grasped her buttocks, opening her wet hole wide. I thrust my full length deep inside her. It felt so good, I nearly exploded on the spot, but I managed to regain my composure and with my hands firmly holding her hips, began to fuck her, first with long slow movements and then faster, shorter strokes. I felt her body begin to shake again and by now I too was bursting to come and quickly pulled her around. She dropped to her knees and opened her mouth wide as I shot my load, covering her face as she greedily gulped my warm cum down her throat. She stood up and took a swig of the beer to wash it all down.



We stood there looking at each other and I said "Wanna go for a swim?" She nodded and I grabbed her hand and we ran out of the house, across the patio and dove into the pool. After some time we got out, nuzzled each other and went into the house to clean up before my sister or mother got home.

The Case for Redheads

Of all the chicks I've fucked, I gotta admit that I find redheads to be some of the hottest. I wish I knew why because I would bottle it and sell it and make a ton of money. If you ever have a chance to fuck a redhead, do it. It will be and experience you'll always remember. They are fucking hot and will fuck your brains out every fucking time.

–Joseph in LA

Editors, if my car's a-rockin…

For all you aficionados of car, women and sex. Here's to having sex in a car with a hot lady. I'm guessing that second only to the bedroom is the car for sex. If It's an intimate spot and the immediacy of it is a big turn on. So here's my latest scenario:

I pick up Rhonda at her house. No real plans for the night so I ask her where she would like to go? She replies just go somewhere quite. I started driving away from her place, into the sunset, and we drive over to a huge park in town. I drive over next to the lake and there is not a car or person in sight. She gestures me to park the car under a large tree that is blocking some of the streetlight. I put the car into P and roll down the windows a couple inches. Personally, I don't like the windows steaming up.

I turn off the headlights and kill the engine, taking a moment to listen to the silence. Then we both moved forward and our lips meet. We kept on kissing and I really wanted to make it a special night. I was in the driver's seat and sexy Rhonda next to me. I slid my hand down to her neck and then to her back. I gently pushed her back in her seat and hit the button to move her seat forward towards the dash. She opens the door and looks back at me beckoning me into the back seat. I open my door and push the button to move my seat forward. I join her there and reach forward to re-lock the doors.

Now there's some space in the back and we meet in the middle and start kissing again. I slip my hand under her top and unfasten her bra and pull it out from under and toss it on the floor. She unbuttons my shirt and pushes it off my shoulders and throws it on the floor, too. I pull her t-shirt up and off her leaving her just in her shorts. Now our bare upper bodies were rubbing vigorously. I slid down and flicked her left nipple with my tongue. She had beautiful boobs with perky tan nipples. She unzipped my pants and reached in to find my cock. By now it was ready for her and she started playing with it. I undid my pants and pulled off taking my boxers with it. I unhooked her shorts and she pulled them and her panties off, dropping them on the floor, too. Now we were both naked (shoes don't count) and her fully shaved pussy was right in front of my face. I pulled her towards me so that we both are below the window line. I swiveled so I could sixty-nine her and spread Rhonda's legs wide and pulled the skin in either side of clit so the tip of the clit could pop out a bit. I lowered my hips and cock carefully and she swallowed it right away. The silence was broken by our slurps and moans.

I felt her tongue playing with my cock as she pulled my ass cheeks apart and teased my butthole. I pulled both of her legs back and lifted her hips so I could do the same to her. For the next few minutes we licked each other's privates and sensing she was really worked up, I got up and pulled her up too so she could sit on me. She straddles me and with a quick butt in my face, sits on my rigid pole facing the front. I lean back in the seat and watch her bounce up and down on my cock. She's got her hands on the front seat headrests and she's grinding her hips into me. I reach around front and with one hand to fondle her boobs and with the other, her clit. I whisper I'm about to cum, but as I do she let's out an orgasmic scream beating me to it. I push her off and pull her head down do she can finish me with her hands and mouth. She drops to her knees and takes my cock in her mouth and looking up at me, I start my faucet and spill it deep down her throat. She gulps it down and wipes what drips out with her t-shirt.

We dress quickly, omitting our underwear, and jump back into the front seats. We adjust them and I turn on the AC. Even with the windows cracked, they fog up. We wait a moment for them to clear up and I start the car and we head for another dark spot.

Deeper throating

All us guys know that next to two or three girls sucking on your cock and balls, there's no better feeling than a good blow job where the girl can deep throat your cock. I envy and pity the guys with big cocks that girls can't get all the way down their throats. Admit it, the visual is as great as the sensation. To see your cock disappear all they way into her mouth is an incredible turn on. One of my best experiences was when a girlfriend took me in her mouth limp and she sucked and sucked until it grew and grew all the way straight down her throat without coming out of her mouth.

sunshine & pleasure bunny

Sunshine: We're BFFs. We've done a lot of scenes together and will keep on doing them. We've become inseperable and sex is a great bond. No matter how many men or women we may fuck, we'll always have each other. I know PB's body and what she likes. It's a lot of the same things that I like. It's kinda like making love to myself. That can be a lot of fun and we're in this life to have fun.

Pleasure Bunny: I agree with everything my BFF Sunshine has said. But she forgot to tell you that we like to shop together. We went shopping for the outfits and accessories we used in this shoot. Since we didn't know how well they would work, we tried them on at the same time in the same dressing room. (Girls can get away with that). And you know we had to have a little sex in there to be sure they were right.

EVER CHEATED -- **Yes, three times**

STILL MARRIED -- **Unfortunately**

CHEAT AGAIN -- **Probably will**

DEEP THROAT -- **I always try**

ANAL SEX -- **Yes, yes I do**

You're looking at some very special pictures. This is my first black guy, ever. I had always been intrigued, but hesitant to do anything about it. And now that I was doing it, I wanted to have photos of it to remember it in case I never did it again. But I did, and I did it again. Three times so far and I'm digging it.

Have you ever had one of those days? One where you were so horny that even when you masturbated yourself, that wasn't enough. Then you get out the big dildo, and that wasn't enough. So I had to do something more about it. That's when I called Jon.

Sometimes it pays to bored. And it pays to have a guy like Jon who's there for my horny booty call. By the time we got to the bedroom, I was completely naked and told him to hurry up, I wanted to suck his cock. It was rock hard by the time he got his pants off. I couldn't wait to get my lips around it. And then pull it into my sopping wet pussy. In the end, he rewarded me with a great big mouthful of cum. Yummilicious!

I'm over at my good friend Ian's house. We've been friends and fuck buddies for many, many years. When the MILF craze hit several years back, he started teasing me that I was becoming a MILF. Now that's a badge I wear proudly and I can tell I am just by the looks I get from younger guys.

HOMETOWN -- **Miami, FL**

MARRIED -- **Going on ten years**

STILL MARRIED -- **Until he finds out**

DONE GIRLS -- **Yes, in three-ways**

SPIT or SWALLOW -- **Both, mostly spit**

ANAL SEX -- **Not for me**

MASTURBATE -- **I'm doing it now!**

For my age, I like to think I have a nice body, nice breasts and a nice little booty. My pussy is almost all shaved because I love receiving oral sex as well as giving it. Men like a clean shaven pussy. I'm into men, all men. Women and partying are fun, too. But I especially like a man who's into my wet, sticky pussy. If he is, I'll repay him with a wet, sticky blow job.

you're hired

She turned the jets to high. Relaxing against a jet and after settling into the submerged seat. The bubbles frantically moved around her hot body, every bubble tingling every inch of her body, sending waves of pleasure into her.

Thirty year old Kimi had been working for only five months at the health club when she had to fill a couple newly vacated slots: a woman's personal trainer and the swimming pool maintenance person. Interviews started on Monday and by Tuesday the personal trainer spot had been filled. Nina just moved into town from St. Louis where he had been a trainer. A perfect hire for here she thought. The second hire proved a bit more difficult to fill and with few applicants, it was over a week before Dustin came in. Anxious to fill the spot as soon as she could, she had acted more on looks than skill when she hired Dustin.

He was a surfer-looking guy, just under six feet she figured. He said he was a pool cleaner for his dad's business, but couldn't stand working for 'his old man.' It was time to break away from the fold and he was willing to do anything to do the job she expected. They agreed to the salary and set him up to start next Monday. He stood up to thank her and she got a whiff of his cologne, instantly arousing her senses. She played it off as nothing at first but the lingering aroma filled her senses and she thought about him throughout the day – each time she came back to her office.

Kimi had worked late as usual for a Monday. It was after eight pm and she decided to go for a swim in the pool. No one was there and her tension from the day needed to be released with a little exercise. Kimi hadn't brought a bathing suit and thought nothing of going in naked. She undressed in the ladies locker room, grabbed a towel from the laundry room and walked into the pool area. She dipped slowly into the shallow end and thought about the day, New members, the air conditioning breaking down, some of the equipment failing. But that was all part of the day's frustrations. Although most of the problems were not hers, she couldn't help but get drawn into the dramas of the day.

She sat at the edge of the pool for a while, but felt it wasn't relaxing her. She stood up, grabbed her towel and headed for the whirlpool bath. She put one foot in and gasped at its hotness. She put in her other foot and slowly lowered herself into the steaming tub. She turned the jets to high. Relaxing against a jet and after settling into the submerged seat. The bubbles frantically moved around her hot body, every bubble tingling every inch of her body, sending waves of pleasure into her. She started to move across the hot tub and then put her legs up in front of the most powerful jet by the railing and spread her legs, wide. She let the water flow ease away her tension and send waves of pleasure across her pelvis. The water flowed in a storm over her pussy, making her lips vibrate her clit. She rubbed her hands up and down the front of her body, adding her own massage to the water's.

Across the pool stood Dustin, mouth open, just looking at his boss turn into a screaming banshee. She sat up and asked how long he had been standing there. He answered that it was just long enough...

Kimi held onto the raised edge of the pool and floated herself in the bubbles while she massage her boobs and let her hand slide down between her legs. Soon she started moaning, ooh's and ahhs at first, but very soon she started moaning louder. Her noises started out as a whisper, but as she got closer and closer to orgasm they got louder and louder. She let out one last loud whimper and she was done. She relaxed back into the pool and turned down the jets.

Suddenly she heard a door close at the other end of the pool room. It was Dustin. He was starting to work on his first night. Across the pool stood Dustin, mouth open, just looking at his boss turn into a screaming banshee. She sat up and asked how long he had been standing there. He answered that it was just long enough and walked over to her by the edge of the whirlpool. Kimi's worried expression faded as he started undressing. He unbuttoned his shirt, smiling and looking deep into her brown eyes. He took forever it seemed, and she couldn't stand it much longer. She jumped up out of the water and ripped off his shirt, kissing him roughly. She unbuttoned his pants and pulled them down and off him. Soon Kimi had him completely naked. His chest was flawless and he had a six pack with beads of water dripping down them. Her eyes gazed lower, down to his manhood. His cock was standing at attention, saluting her gaze and beckoning her mouth to kiss it.

Kimi could no longer hold back and reached for his cock, he was so hard she moved her hand slowly up and down and applying a stronger grip with each movement. Kimi slowly moved her mouth down his chest and onto his cock and gently licked the head making circular motions together with her firm grip moving up and down his shaft. She moved her hand down to his balls and gently massaged them. She placed her tongue on the bottom of his shaft and slowly she went up to reached the top. She then lowered her head placing his cock inside her month. Her head slowly went up and down. As if a switch went off, her head was going up and down with incredible speed. Her lips had a strong grip of my cock. She placed her hand on the base of his cock and went even faster. He never had a woman play with his cock with such vigor and tenacity. Dustin watched as her head bobbed up and down. He groaned louder and found it hard to support himself standing. He lowered himself onto the edge of the pool, feet in the water. He moved his hand to Kimi's pussy where he ran his fingers over it and slipped his index finger inside her. Her vagina was wet and soft as he circled her clit with his finger numerous times, sliding up and down. Then inserted another finger into her ever so gently. Kimi was on brink of coming so many

Dustin gently laid Kimi on the floor next to the whirlpool and took her towel and laid it under her head. He circled her nipples with his tongue...

times but held back because it felt so good.

Dustin gently laid Kimi on the floor next to the whirlpool and took her towel and laid it under her head. He circled her nipples with his tongue and moved down her stomach towards her vagina. He stopped at her belly button and circled it with his tongue gently biting her. Kimi gasped and looked at him with wild excitement. He moved quickly to her pussy and still fingering her slid his tongue into her circling her clit. He licked her quickly and stopped and then repeated the action. Kimi could feel herself close to climaxing again but she so wanted him in her and pulled him towards her.

Dustin got out and pulled Kimi to her feet and lifted her so that both her legs were around his hips and guided his cock into her hungry pussy. Kimi leaned back to take him, Dustin was thrusting into her first slowly and then the pace quickened. Kimi could feel the herself starting to climax and ran her fingernails along his back, the climax was amazing and Kimi began to thrust herself against Dustin. She let out a loud moan as he hit regions deep within in her that no man had ever done. He slid in and out a few times and then reached his hand down, stroking her clit. He found the hard little nub and used his thumb to circle the hood over and over again. This sent Kimi into a great daze, she started grunting like an animal and started scraping her fingernails into his back. She moaned louder and louder, driving Dustin wild. He slapped her ass hard, again and again, the sound of it rippled and resounded throughout the large vacant room.

Both of their legs started to give way as he rammed his long shaft again and again into her tight pussy. He moved his fingers up towards her nipples pinching and squeezing them. He noticed that Kimi was coming very close to orgasm and rammed her up against the wall. The tile dug into her back and she arched backwards, letting Dustin's hard cock go deeper and deeper. She moaned and screamed louder and louder. She wrapped both legs around his waist not being able to get enough of his huge love meat.

Dustin thrust his hips forward one last time shooting his cum into her. Kimi screamed one last time and orgasmed. Her pussy walls closed around his dick, milking it for all it was worth. She threw her head back and moaned. Dustin finished cumming and grunting and kissed her lips. Kimi regained her balance and put her arms around his neck, making the kiss deeper. Their tongues exchanged passionate touches and their hands wandered across each other's sweaty bodies.

Not a word was spoken between the two, but the next day Dustin was promoted to Kimi's personal assistant and immediately took the day off to visit his girlfriend.

I especially like to fish inside a guy's pants for his cock. It's usually hanging limp and low, but when I get my hand on it, I can feel it grow. I'll pinch and squeeze until it gets hard, and then unzip him and pull it out. I play with it for a bit until my mouth goes down on it and I gobble it up.
